## I. O. O. F. COLLEGIATE HIGH SCHOOL

THIS Institution will be opened on Monday the 5th day of April or as soon thereafter as possible. The Trustees have employed as principal Mr. WM. IRWIN, of South Carolina, whose long experience and success as a teacher, qualify him in an eminent degree for so high and responsible a station; and they recommend him to the public as being entitled to their confidence and patronage; satisfactory testimonials of his qualifications can be seen by calling on the Secretary, O. H. Grinnell.

Competent Assistants will at all times be brought to the aid of the Principal. This School fills a vacuum in our community long since needed-a medium or halfway ground between common Schools and Colleges; and the Trustees are determined to make it second to none of its class in the State, and expect in a short time to be able to give such an education as will qualify for any station in life. The year will be divided into two terms of five

months each, commencing on the first Monday in March and September respectively. The rates of thition per session are as follows, to be paid one half in advance.
